# EARTH BOUND

Earthbound, se inspira en la fuerza elemental de la naturaleza en nuestro día a día.

El verde vibrante de los bosques, el esmeralda del mar y un matcha por las mañanas...

Los marrones terrosos del suelo, un café aromático y chocolate al atardecer...

Los tonos beige y formas calmas del desierto combinando el blanco puro del aire libre... indicio de nuevos comienzos...

Cada prenda, una invitación a reconectar con el poder natural que llevas dentro.
